the portall!

Didn't I

Abba!  
Right

Captain  
Lupinus,

There's a light right  
where the abandoned  
sanctuary is.

Let's go do it now.

*This way!!  
Please follow the  
staff members!*

*Prioritize the  
elderly, women  
and children!*

URURURU~

Don't forget to  
check the snow  
depth!

*Please move  
in order!!*

Even so, the  
possibility of the  
control circuitry  
being active...

...there's just  
nothing about  
him, huh...

It's almost  
half of them  
that's there...

Please, but don't  
cry, and don't cry  
anymore...

I should resist  
the desire to let  
go of holding it here...

Let's move it to...

the stadium, where  
no one's there.

Let's move it to  
the stadium, where  
no one's there.

Who's that??

Why isn't he escaping?

# RUMBLE

I hope their collection sells.

Don't you know how to?

Just the ones over there?

They had pointy ears.

Oh right, they're the oldest magic albums or something...

Look at them. They don't even care that the place is falling apart.

I can't believe we got the same kind of treatment as those things...

Let's head to the river during this chaos.

If we get caught, we can survive...

Hey kid, that  
takes you to the  
auditorium...

Just happens  
about and takes care  
of yourself

BZZZ

...so... said...

The voice from  
the speaker was  
definitely Father's.

TAP

Father must  
be where the  
microphone is.

Find your father!

Don't worry  
about me...

TAP

Are you really the  
price of this country?

He will use  
that explosive  
compound

With that  
deal...

but not much  
of that thread left.  
It'll be over soon

It's a real  
shame that I have  
to use these  
prisoners...
